NORTHLINE SYSTEMS
Leave Policy
Effective date: 1 March 2026
Document owner: People Operations
Classification: Internal

1. Scope
This policy covers annual leave, sick leave, parental leave, and unpaid leave for full-time Northline Systems employees. Contractors follow their contract terms instead of this policy.

2. Annual leave entitlement
Full-time employees receive 18 days of paid annual leave each calendar year. Part-time employees receive a pro-rated entitlement based on contracted hours. Annual leave requests of 1 to 5 consecutive working days are approved by the line manager in the People Portal.

3. Extended annual leave
Any request for more than 5 consecutive working days of annual leave requires line manager approval and a coverage plan. Requests longer than 10 consecutive working days also require director approval. Employees should submit extended leave at least 21 calendar days in advance unless an emergency applies.

4. Sick leave
Employees receive 12 days of paid sick leave per calendar year. Absences of more than 3 consecutive working days require a medical certificate uploaded to the People Portal. Unused sick leave does not carry over.

5. Parental leave
Primary caregivers receive 16 weeks of paid parental leave. Secondary caregivers receive 4 weeks of paid parental leave. Parental leave may begin up to 2 weeks before the expected arrival date. Employees must notify People Operations at least 8 weeks in advance when the date is known.

6. Bereavement leave
Employees may take up to 5 paid days of bereavement leave for an immediate family member.

7. Unpaid leave
Unpaid leave of up to 30 calendar days may be granted at director discretion when paid leave balances are exhausted. Unpaid leave does not accrue annual leave.

8. Recording leave
All leave must be recorded in the People Portal before the first day of absence except sudden illness, which must be recorded within 24 hours. Managers must respond to leave requests within 3 working days.
